SAFARI OVERVIEW

Embark on a journey into the wild heart of India, where your passion for nature and exploration takes center stage. Venture through some of the country's most renowned wildlife reserves and national parks as you come face-to-face with **vibrant birdlife**, **magnificent tigers**, and a **rich array of mammals**. Your adventure unfolds across **multiple jeep safaris** in five iconic parks—Panna, Bandhavgarh, Kanha, and Pench—each offering a unique window into India's untamed beauty. **Feel the thrill of tracking wildlife** through dense sal forests and sun-drenched meadows as you search for tiger, leopard, bison, jackal, fox, sloth bear, blackbuck, and more. While the tiger may be your ultimate goal, every moment in the field offers something unforgettable—from the sudden appearance of mythical big cats to the calls of **endemic birds that fill the air with sound**.

Beyond the wild, your journey deepens with visits to **India's cultural landmarks**, including the iconic **Taj Mahal** and the ancient **Khajuraho Monuments**. This expedition is a blend of natural wonder and timeless heritage—an **unforgettable journey shaped by your curiosity and sense of adventure**.

WHY CHOOSE THIS TRIP?

- **Intimate Safari Experience.** Just two guests per jeep for unobstructed views and personalized guiding.
- **Exclusive All-Day Access.** All-day permits in three parks offer more time when wildlife is most active.
- **Top-Tier Guiding Team.** Expert leaders and naturalists deepen your connection to India's wild places.
- **Diverse Wildlife Encounters.** Spot tiger, leopard, sloth bear, blackbuck, and a variety of rare birds.

- **Rich Cultural Immersion.** Visit the Taj Mahal and Khajuraho, blending nature with heritage.

OPTIONS

- Continue your journey on our [Nepal](#) trip from March 2 to 19, 2027. Explore the culturally rich cities, experiencing great wildlife viewing and the conservation success stories of its parks, along with the grandeur of the Himalayas.

LEADERS

Cheesemans' Ecology Safaris carefully selects leaders who are experts in their field to ensure that your experience is the best it can be. Three leaders will provide a range of expertise for your trip.

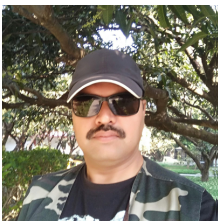

Scott Davis

Scott is a professional photographer specializing in wildlife, nature, and travel. Originally trained as a wildlife and marine biologist, his research and photo assignments took him to the far corners of the globe. National Geographic, BBC, Animal Planet, and renowned magazines have used his photography. His patience for teaching and love of capturing the essence of his subjects make him one of our most popular tour leaders.

Sunil Gaur

Sunil has 15 years of experience as a naturalist, including in Bharatpur where he lives, Bandhavgarh, Corbett, Ranthambhore, Kanha Jungle Lodge, and many others. He earned his master's degree and is a member of Life Line for Nature Society, the Bombay Natural History Society, World Wildlife Fund for Nature India, and the Guide Association of Keoladeo National Park. He participates in mammal censuses, non-native plant eradication, such as water hyacinth removal, and in vulture surveys. He is a wonderful teacher with a great personality.

Mohan Singh Solanki

Mohan turned his childhood passion into a flourishing profession. He graduated from the University of Rajasthan in India and was awarded the Naturalist Guide's title from the Government of Rajasthan's Department of Forest, and is an approved tourist guide from the Government of Rajasthan Department of Tourism, Art, and Culture. Using his vast knowledge of flora and fauna, he has birded and guided all over India for more than 15 years, including Keoladeo National Park.

DETAILED ITINERARY

Feb 14–15 ~ Travel to Delhi, India

Feb 16 ~ Arrive in Delhi from home

Our local agent will transfer you from the airport to the hotel. If you would like to arrive earlier, we can arrange divergent airport transfer and extra nights.

Feb 17 ~ Agra Fort and Taj Mahal

After breakfast, depart by road for **Agra** (approx. 4 hours). Along the way, stop for a guided visit to Agra Fort,

one of the most important and well-preserved monuments of the Mughal Empire.

Built in 1565 by Emperor Akbar and expanded by his grandson Shah Jehan, **Agra Fort** served as both a **military stronghold and royal residence**. Inside, you'll explore a network of courtyards, audience halls, and private chambers, offering insight into the power and daily life of the Mughal rulers.

After checking in to your hotel and enjoying lunch, the afternoon is reserved for one of India's most iconic experiences.

Agra Fort

Visit the **Taj Mahal**, widely considered one of the most beautiful buildings in the world. Built by Shah Jehan in memory of his wife Mumtaz Mahal, this white marble mausoleum took over 20 years and 20,000 artisans to complete. **Watching the Taj Mahal at sunset**, as the light shifts and reflects across its surface, is a highlight of any journey to India.

Feb 18 ~ Railway Journey to Khajuraho

After an early breakfast, transfer to Agra Cantt. Station to board the Vande Bharat Express at 07:30 hrs, arriving in **Khajuraho** at 14:20 hrs. Check in to your hotel and enjoy a late lunch.

In the afternoon, visit the **Western Group of Temples**, considered among the most creative and refined examples of Indian architecture. Built between 950 and 1050 CE by the Chandela Rajputs, only 22 of the original 85 temples remain. Their walls are covered in **intricate carvings** that depict everything from gods, goddesses, and mythological creatures to vivid scenes of love, devotion, and daily life. Many are dedicated to **Brahma, Vishnu, and Shiva**, with the **Kandariya Mahadeo Temple**, devoted to Lord Shiva, standing as the most magnificent of them all.

Feb 19 ~ Panna to Bandhavgarh

Depart Khajuraho with a packed breakfast to journey by road for the short drive to **Panna National Park**—a scenic journey through rural Madhya Pradesh. Upon arrival, head out on a jeep safari through Panna's rugged teak forests and river-fed canyons, home to a growing population of reintroduced tigers. With a bit of luck, you may also encounter leopard, sloth bear, jackal, or gharial, along with a variety of birdlife and smaller mammals.

After the safari return to the lodge for lunch then continue by road to Bandhavgarh National Park, arriving in the evening. Settle into your lodge and prepare for your first glimpse into one of India's most celebrated tiger reserves.

Feb 20–23 ~ Safaris in Bandhavgarh

Spend the next three days exploring **Bandhavgarh Tiger Reserve** on **morning and afternoon jeep safaris**, with one day offering an exclusive all-day permit—giving you extended access to the park when wildlife activity is at its peak.

Bandhavgarh is one of India’s most iconic tiger habitats, known for its **high density of tigers** and striking landscape of hills, river valleys, grasslands, and forested ridges. The park supports a rich diversity of life, with over **34 species of mammals**, nearly **260 species of birds**, and **70 types of butterflies** recorded. While tracking tigers is the focus, sightings may also include leopards, jackals, sambar deer, and langurs, along with a vibrant variety of birdlife.

Every game drive here is a chance to witness **India’s wilderness** at its most raw and beautiful—where each bend in the trail holds the promise of discovery.

Feb 24 ~ Drive to Kanha

After breakfast, set out on a scenic 5-hour drive to **Kanha National Park**. Upon arrival, check in to your lodge and enjoy lunch. The remainder of the day is at leisure—a chance to relax and soak in the **peaceful surroundings** before your next adventure begins.

Feb 25–27 ~ Kanha Wildlife

Spend the next three days on morning and afternoon **jeep safaris in Kanha National Park**, with one day offering an **exclusive all-day permit**—giving you extended time in the park to explore deeper zones and maximize wildlife viewing.

Located in the heart of Madhya Pradesh, Kanha is one of India’s most celebrated wildlife sanctuaries and is often cited as the inspiration for Rudyard Kipling’s *The Jungle Book*. The landscape here is a stunning mix of **sal forests, meadows, and bamboo thickets**, supporting a wide range of biodiversity.

Kanha is known for its healthy population of **tiger and leopard**, as well as **barasingha (swamp deer)**—a conservation success story for the park. Other notable species include gaur (Indian bison), sloth bear, wild boar, jackal, hyena, fox, jungle cat, and a variety of deer, along with a vibrant array of birdlife.

Each drive brings a new opportunity to experience the rich, untamed beauty of central India—a place where nature still writes its own story, just as it did in Kipling’s timeless tale.

Feb 28 ~ Journey to Pench

After breakfast, take a drive to Pench National Park. Check in to your charming lodge and explore the area or

rest in the afternoon.

Mar 1–2 ~ Delight in Pench

Continue your journey into the wild with **morning and afternoon game drives in Pench National Park**, a landscape of **teak forests, rolling hills, and winding rivers** that exudes quiet wilderness charm.

Pench is home to a remarkable variety of wildlife, including **tiger, leopard, sloth bear, wild dog, wolf, gaur, and multiple deer species** such as sambar, chinkara, and nilgai. It’s also a paradise for bird lovers, with over 250 recorded bird species flitting through the forest canopy and along the water’s edge.

In recent years, Pench has gained attention for its **occasional sightings of the elusive black leopard**, adding an extra layer of anticipation to every game drive. Rich in biodiversity and brimming with atmosphere, Pench offers a fitting final chapter to your safari—a place where **quiet moments and rare encounters** go hand in hand.

Mar 3 ~ Return to Delhi

Depart for Nagpur Airport with a packed breakfast to catch our **flight back to Delhi**. Upon arrival in Delhi, transfer to your hotel for day use and rest. Reflect on your extraordinary journey through **India’s wild and cultural heart**.

Mar 4 ~ Depart for home or to Kathmandu for [Nepal](#) trip

Transfer to the airport for your flight. Continue on our [Nepal](#) trip or depart for home.

Mar 5 ~ Arrive home or join [Nepal](#) group

OTHER DETAILS

Climate

Temperatures generally range from the 50's°F at night to the 80's°F during the day. Although most days will be hot, it can be cool and breezy in the early morning. It is the dry season, but rain is possible.

Fitness Level

Most days consist of early mornings, game drives on uneven roads, and full days in nature that require good energy levels. Most walking is optional around lodge grounds between game drives. Transportation between locations ranges between two and seven hours. Please contact us if you have any health concerns that may make this trip challenging.

Accommodations

All lodges have air conditioning.

Transportation

On game drives in the parks, you travel in open, six-passenger 4x4 jeeps that provide 360° viewing and excellent photography opportunities; we'll have three participants in each vehicle sharing with one of our resident guides, a park ranger, and a park driver. Between parks and cities travel by private bus, train, plane, or 4x4 vehicles.

Flights

Detailed logistical information is included in the Trip Planning Materials we will send you.

Please wait to book your flights until you receive confirmation from your Coordinator that the minimum number of participants has been met to operate the trip. If you choose to book flights before receiving this confirmation, we strongly recommend purchasing flight cancellation insurance to protect your investment.

Flights you book

- Arrive in Delhi, India (DEL) by 11:59pm on February 16.

Conservation

Our company ethos has always regarded conservation as inseparable from responsible tourism. We struggle with the dilemma that traveling worldwide expends climate-changing carbon. However, we wholeheartedly believe that traveling with us will cultivate your passion for conserving our beautiful world while stimulating each destination's local economy. We encourage you to explore the various ways in which Cheesemans' operates within this context:

- **Ecotourism and Conservation for [India](#).**
- **Cheesemans' Trips are [Carbon Neutral](#).**
- **Offsetting your Travel to/from our Trip:** We ask you to pledge to offset the carbon emissions for your travel to and from our trips. You can purchase offsets with most airlines (Delta includes them automatically), use our handy [carbon calculator](#) and donate to Sustainable Travel International, or contribute to your favorite offsetting organization.

Together, we can continue exploring and cherishing this planet while working toward its long-term protection. Thank you for being part of this important journey with us.
